15th March, 2019.

Dear Professional Colleagues,

2019 ANNUAL NIGERIAN INSTITUTION OF METALLURGICAL, MINING AND MATERIALS ENGINEERS (NIMMME) CONFERENCE AND EXHIBITIONS - REQUEST FOR PARTICIPATION AND COLLABORATION

We are pleased to request your participation and collaboration at the 2019 Edition of the Annual Nigerian Institution of Metallurgical, Mining and Materials Engineers (NIMMME - a Division of the Nigerian Society of Engineers (NSE)) Conference and Exhibitions; tagged: **Eko-3Ms-Conference-2019**, to be held at the Lagos State Chamber of Commerce & Industry, Ikeja, Lagos from 26 to 28th June 2019.

The theme of this event is; *“Minerals, Metals & Materials in Manufacturing: Imperatives for Technological Advancement and Economic Growth”*.

In due recognition of your role in promoting the development of the Nigerian metallurgical, mining and materials industry over the years, we are positive that our targeted audience comprising of industrialists, policy makers, entrepreneurs, manufacturers, technocrats, management-consultants, researchers and engineers, will be delighted by your presence and participation at the event.

We believe that you and your establishment would also benefit from our several networking sessions where the latest industry trends and key business contacts would be shared with eminent personalities and establishments in attendance.

This conference will critically review the developmental components that will enable the achievement of the desired synergy amongst the metallurgical, mining and materials professionals for sustainable development of this industry. We believe that you can bring your wealth of experience and knowledge to bear in tackling these issues as well.

Permit us to request your kind support for the laudable programs of this Conference, by:

- (i) Placing your establishment's advert in our Conference program's notebook, book of abstracts, etc.,
- (ii) Acquiring exhibition space for your products and services,
- (iii) Providing outright sponsorship of some of our activities,
- (iv) Branding some of our conference materials or venues,
- (v) Supporting the hosting of special 'Continuous Professional Development' (CPD) interactive sessions and 'Student Presentations',
- (vi) Collaborate and/or partner with the NIMMME-NSE Division in Sustainable Development Initiatives.

Inquiries:

Chairman; Local Organizing Chairman (LOC): Engr. Ezenna Okolie, ezenna.okolie@gmail.com, ☎+23490 6000 8289

Chairman; Central Conference Working Committee (CCWC): Prof. B. I. Imasogie, imasogie@oauife.edu.ng, ☎+2348

- (vii) Initiating and supporting NIMMME Projects, Awards, etc., aimed at integrating all Metallurgical, Mining and Materials Engineering Societies and maintaining our leadership position as the foremost 3Ms-NSE-Division in the promotion of professionalism in engineering training, research and development in Nigeria.

Please find attached herewith for your kind consideration, our flier for detailed information, our budget and available sponsorship plans, as well as the rates for exhibition spaces and advertisement.

We look forward to receiving your favorable response and welcoming you to **Eko-3Ms-Conference-2019** and to engaging positively with you and other brilliant minds on how to move our dear Institution forward.

Please acknowledge your receipt of this letter of invitation and kindly, respond promptly.

Please accept the assurances of our highest regards.

Yours sincerely,

Engr. Ezenna Okolie; MNSE
Chairman, *Local Organizing Committee*

Engr. Professor B. I. Imasogie; FNSE
Chairman, *Conference Central Working Committee*
