

The Nigerian Society of Engineers

METALLURGICAL, MINING AND MATERIALS DIVISION

NBRRI Building: 3rd Floor, 15B, Awolowo Road, Ikoyi, Lagos. Phone: 08029123312, 08057910422. E-mail: info@metminmat.org, mat_met_min@yahoo.com. WEB: www.metminmat.org

2017 WORKSHOP PLANNER

S/N	WORKSHOP COURSE	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	VENUE	FEE
1.	Annual National Conference & AGM			26-28								Jos	N25,000
2.	Public Lecture	Date and venue to be communicated										Lagos	Free
3.	Condition Monitoring & Machine Diagnostics				8-10					4-6		Lagos	N160,000
4.	Six Sigma for Engineering Operations			26-28					6-8			Lagos/ Abuja	N170,000
5.	Advanced Engineering Project Management					7-9				9-11		Lagos	N170,000
6.	Pressure Vessels Design, Testing and Inspection				3-5			28-30				P/Hcourt/Lagos	N170,000
7.	Developing and Implementing Quality Systems for Organizational Transformation			5-7				7-9				Lagos/ Abuja	N160,000
8.	Modern Trends in Project Engineering & Management						3-5			25-27		Lagos/ Abuja	N170,000
9.	Maintenance Management Practice in the 21 st Century				10-12					11-13		Lagos	N170,000
10.	Boiler Operation and Maintenance						12-14					Lagos	N170,000
11.	Computer Application in Project Management				24-26 MS Project					18-20 Primavera		Lagos	N170,000
12.	Welding Systems Selection & Design for Fabrication and Maintenance						24-26					Lagos	N160,000
13.	Predictive & Proactive Maintenance Management			3-5				14-16				Lagos/ P/H	N165,000
14.	Industrial Lubricants & Hydraulic Fluids Selection and Application					21-23				18-20		Lagos & Abuja	N160,000
15.	Corrosion Survey and Integrity Monitoring for Buried and Submerged Structures					12-14				23-25		P/Harcourt	N160,000
16.	Protective Coating Systems and Technologies						19-21					Lagos/ PH	N160,000
17.	Corrosion Field Testing							23-25					N170,000
18.	Foundry Engineering & Production					5-9					13-17	Lagos	N170,000
19.	Cranes, Rigging, Lifting & Scaffolding				31st May-2nd June					20-22		Lagos	N150,000
20.	Manufacturing Technology: Evolving Lean Manufacturing Systems				22-24							Lagos	N160,000
21.	Root Cause & Failure Analysis of Machinery Components & Process Operations			10-12						11-13		Lagos	N170,000
22.	Power Plant Metallurgy and Inspection						17-19					Abuja/ Lagos	N165,000
23.	Total Productive Maintenance							9-11				Lagos	N160,000
24.	Refurbishment Technologies for Rotating Equipment Components							21-23				Lagos	N160,000
25.	Lubrication Management				15-17						27-29	Lagos	N160,000
26.	Engineering Drawing & Design Course (Plus Autocad)-with Laptop								25-29			Lagos/ Abuja	N400,000
27.	Advanced Manufacturing Design Software (with laptop)					19-23 (Solid works 3D CAD)	10-14 (Pro-E)	7-11 ANSYS				Lagos	N400,000
28.	Safety Fundamentals for Engineering Operations								6-8			Lagos	N150,000
29.	Supply Chain Management for Engineers					19-21						Lagos	N150,000
30.	Structural Pipe Production, Specification & Qualification under NIS ISO			19-21							6-8	Lagos	N150,000
31.	PMP Certification Course				8-12					9-13		Lagos	N350,000
32.	Aluminium and Aluminium Alloys Production Practices & Product Qualification under NIS ISO 6362 - 7; 2012						10-12				20-22	Lagos	N160,000

2017 CALENDAR	
January	February
March	April
May	June
July	August
September	October
November	December

Group Photograph of Workshop Participants

Workshop Session

Industrial visit to INNOSON by NSE, MMM OFFICIALS

Collaborating Training Consulting Firms:

1. Pearlite Engineering & Consulting Services (PECS), Ikoyi, Lagos.
2. MATERIALS CONSULTING LIMITED
